01-01-0012 Fire Behavior and Arson Awareness

Trains firefighters to understand normal and predicted fire behavior. It enables students to understand the basic concepts of fire chemistry and the normal growth of fires and to develop and apply observational skills that may be critical to a fire investigation. Using standard accepted procedures, students apply techniques fundamental to preserving the fire scene for further cause determination.

Designed For: All emergency response personnel
Course Length: 12 hours
NYS Certification Level: Firefighter Recruit II, Fire Investigator I, and Fire Officer I
National Certification Level: Firefighter I
